2010 JPMorgan Chase Awardees

The Huntington Arts Council, Inc. is pleased to announce the recipients of the 2010 J Program. These JPMorgan Chase Regrant Programs are funded through the JPMorgan Chase Foundation and administered in Nassau and Suffolk counties by the Huntington Arts Council, Inc.

Funding decisions are made by a volunteer panel of artists, arts professionals and community leaders from both Nassau and Suffolk counties. Grant recipients represent a huge range of artistic disciplines, including music, theater, poetry, dance, media and the humanities. The goals of the Organizational/Stabilization program include capacity building for organizations that need strategic planning and organizational development.
