

HUNTINGTON ARTS COUNCIL

Brighter lives through art.

Students' grades 6-12 are invited to participate in Nightmare on Main Street with art inspired by the theme of Halloween! The Halloween season is full of magic, creativity, and inspiration! With the transition of the seasons comes the cooler weather, darker days and bursts of color from the trees-the world around us transforms. We celebrate by turning ourselves into whatever and whoever we'd like to be on October 31st. Scary, silly, creepy or beautiful, what would you want to transform yourself into during this time of year?

About the Juror: Stephanie Buscema is a painter, illustrator and designer working traditionally with paints on paper. Working professionally for the past 15 years on a variety of projects, from publishing to textile design, her days are spent working in her home studio here in Huntington, NY. Alongside work assignments, she owns a small business, Kitschy Witch Designs, creating whimsical textile prints and designing vintage inspired clothing and accessories.
