

## Why become an Artist member?

The Huntington Arts Council is a non-profit organization established in 1963 and our mission is **“to enrich the quality of life of Long Islanders with programs and services that address the needs and interest of artists, cultural organizations and the community”**.

Our Artist Tier Membership started when it was realized that individual artists needed our help to promote them and their work. Since then we have been able to serve many artists both in promoting them in our Arts Cultural News and by referrals. Our Main Street Petite Gallery provides gallery space for many of our members to exhibit their work and have it available to the public.

- Unlimited free admission to Main Street Petite Gallery
- Member preview days for major exhibitions
