PURPOSE

In 1977, the New York State Council on the Arts (NYSCA) developed the Decentralization program, which is now called the Statewide Community Regrant program, to ensure New York State’s cultural funding reached every part of the State. This program is funded statewide—in all 62 counties, and funds are regranting at a local level. Through this program, not-for-profit organizations and individual artists may apply annually for grants to help strengthen the arts and cultural programs in their communities. The goal is to make state arts support available to geographically, economically, and ethnically diverse segments of the state’s population.

PROCESS

Awards are based on a competitive peer panel review process. A panel comprised of artists, art administrators, and community leaders review each project on the basis of its own merits and against others in the application pool. Limited funds are available and priority will be given to applications that meet the specific program criteria published within these guidelines. Preference is given to applications that address the specific, published program priorities.

The panel’s funding recommendations are submitted to the Huntington Arts Council Board of Directors for review and approval.

Panelists perform evaluation and rating of funding applications made to Huntington Arts Council. All panelists must be residents or work in Nassau or Suffolk counties. To nominate an individual or yourself, complete this [form](#)

GLOSSARY OF TERMS

Underserved Communities are defined as a composition of individuals who have limited access to art programs, services or resources and may be marginalized due to geography, race, economic status, gender, gender identity, sexual orientation, age, religion, or disability.

The term “**community**” can refer to a group of people who share a common heritage, interest, belief, characteristics, or geography.

A **Fiscal Sponsor** is a New York State nonprofit organization that applies to Huntington Arts Council on behalf of an individual artist or unincorporated arts organization or collective. The fiscal sponsor serves as a fiscal conduit for the funded project, and is responsible for receiving and disbursing grant funds to the sponsored artist as well as taking on administrative requirements throughout the grant process, including final reporting of grant activity, while the sponsored artist or group executes the funded project.

FISCAL SPONSORSHIP VS. COMMUNITY-BASED PARTNER

An individual or unincorporated entity may apply to the Statewide Community Regrant Program through one of the following two methods:

With a FISCAL SPONSOR

The fiscal sponsor must be based in the county of the proposed grant project activity. The sponsored applicant is not required to reside in that county.

A SCR applicant may serve as a fiscal sponsor and may sponsor more than one applicant if the sponsored requests are unrelated to any programs or projects of the sponsoring organization. Sponsored requests do not count towards the THREE request limit or \$5,000 maximum. Direct NYSCA applicants however, may not serve as a fiscal sponsor.

The entity serving as a fiscal sponsor must meet the same eligibility requirements as an applicant organization.

A sponsored applicant must provide a Fiscal Sponsorship Agreement (sample template [here](#)) from the sponsor to include with their application. Typically this document outlines who is responsible for the elements of the project and whether the sponsoring organization is taking an administrative fee of up to 15% of the award.

With a COMMUNITY-BASED PARTNER

The individual, or one of the members of a collective, will apply through their name and social security number, and funding will be addressed and awarded to that individual.

The community-based partner organization must meet the same eligibility requirements as an applicant organization and provide all the required documentation.

A letter of commitment (sample template [here](#)) from the partner organization is required confirming the partnership with the applicant artist. The commitment letter must outline the scope of partnership and both the partner and applicant's investment or contribution (in-kind and/or cash) toward the proposed project. The applicant and the partner organization must **both** be based in the county of the funded project activity.

APPEAL PROCESS

Where grounds exist, an appeal must be filed within ten days of funding notification.

Grounds for Appeal

- (1) Non-presentation of *significant and pertinent* information by staff or panelist
- (2) Misrepresentation of *significant and pertinent* information by staff or panelist
- (3) Improper procedure

Denial of an award or dissatisfaction with the grant amount is not grounds for appeal.

Process

The applicant organization must contact the Grants Coordinator within five to seven business days of receipt of the denial letter to receive application feedback, by telephone 631-275-8423 x 18 or by email at grants4arts@huntingtonarts.org.

The Grants Coordinator will have a conversation regarding the decision by the panel. If the applicant decides to pursue an appeal following the conversation, s/he will submit a letter addressed to the Executive Director of Huntington Arts Council, copied to the Grants Coordinator, citing the specific reason/s for appealing the panel's decision. This must take place within five days of the initial phone call or in-person conversation.

A special panel of at least three new panelists will be formed. These panelists will have knowledge of the arts and the regrant process (e.g. past DEC panelists, former board members, past DEC recipients would be appropriate panelists.) Panelists who served for the grant cycle in question will not be allowed to sit on an appeals panel.

The Executive Director will then schedule a meeting to examine the appeal. If the appeal has merit based on the stated grounds, not the quality of project, it is then sent to a sub-committee comprised of the Huntington Arts Council Board of Directors for reevaluation. The appeals process is not a reevaluation of the project. Decisions are made based on the basis of appeal.

If the appeal is successful, and the Board of Directors determines that the request deserves support under the evaluative criteria, it is funded with SCR regrant funds withheld at the beginning of the cycle.

A. Yes. The Long Island Arts Grants support Long Island-based artists and arts organizations with projects taking place anywhere within Nassau and Suffolk Counties.

Q. I'm an individual artist, can I apply?

A. Yes. Individual artists can apply directly to the Creative Individual grant opportunity. Artists can also apply to the Creative Communities Grant program (CCG.) CCG will consider applications from individual artists who reside on Long Island. The CCG program will consider applications from individual artists who reside on Long Island working in partnership with a Long Island-based nonprofit organization, either as a community-based project partner or a fiscal sponsor. **Note: The community partner and the fiscal sponsor cannot be a direct applicant to NYSCA in the current funding cycle.** For full details and requirements for applying to CCG program as an individual artist, please refer to the program guidelines.

Q. My church is a qualified non-profit headquartered in Ohio, are we eligible to apply?

A. No. The church must be registered in the county of the application.

Q. Can I apply to both Creative Communities Grant and Creative Individuals Grant?

A. Yes. You can apply for both the Creative Communities Grant and the Creative Individuals Grant, provided that you meet the applicant and project eligibility requirements for both programs. The total request from both grants cannot exceed the total grant request of \$5,000.

Q. I've applied for this grant before. Can I apply again?

A. Yes. However, if reapplying with the same program, there should be a significant change in your project (e.g. new audience, performers, participants, etc.).

Q. I've applied to New York State Council on the Arts (NYSCA) for another grant. Can I still apply for this Decentralized Grant program?

A. No. If you have applied to NYSCA directly for another grant opportunity in the same fiscal year, you are ineligible for this grant, regardless of your application status (i.e. even if you were not awarded the other grant).

Q. How long will the application take to complete online?

A. The online application form on Submittable consists of 3 sections includes the artistic, community and fiscal and managerial section. Completion time may vary. We encourage you to view the preview of the application before beginning. Applications can be saved for 21 days once you begin. Once an application is submitted electronically you **cannot** go back to edit.

Q. I do not have reliable Internet access and I am having trouble filling out the online application form. What should I do?

A. Contact the Grants Coordinator (grants4arts@huntingtonarts.org or 631.271.8423 x18) to discuss alternatives. Appointments are available with our staff to use one of HAC's computers to fill out the online application form. Our staff can help guide you through the form and assist you with technical difficulties.

Q. What are in-kind contributions?

A. In-kind contributions are donations of goods or services, instead of cash. Examples of in-kind contributions: a graphic designer's donated time and services, donated materials, etc.

Q. How do I value in-kind contributions in my budget?

A. In-kind contributions should be valued at their market rate. Account for in-kind services and goods that have a clear basis for determining their market value. Example: professional labor may be valued as an hourly wage rate per day or according to a standard fee scale, materials can be estimated at current selling prices, etc. Track in-kind contributions separately from cash income & expenses in your project budget, using the box provided at the end of the budget form.

Q. I'm a filmmaker, can I use this grant for my film's production costs?

A. Creative Communities and Creative Individual grant funds are open to all artistic disciplines, including film. Please keep in mind that these are grants for the presentation of work, not solely for the creation of the work, meaning that all projects must include a public component (film screenings, panel discussions, etc.). Your project budget should reflect the presentation costs for the public component of your project. You may include relevant film production/post-production costs that are related to the public component (including artist fees). The grant period is one year, and as such, we usually recommend that film projects be in the post-production stage, so that they can be presented to an audience within the grant period.

Q. Where do I find information about my elected officials required in the application?

A. You may refer to the following websites.

- For State Senate district number: <https://www.nysenate.gov/find-my-senator>
- For State Assembly district number: <http://nyassembly.gov/mem/search/>

Q. Are there any extensions on the grant deadline?

A. No. All applications must be received by 3PM Monday, September 20, 2021.
