

HUNTINGTON ARTS COUNCIL

Brighter lives through art.

Current **Artist Circle members** and students from **JOURNEY partner schools** are invited to participate in this exclusive opportunity to create original art work for the cover of the Summer 2023 issue of Arts Cultural News (ACN).

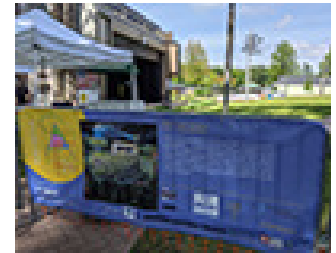

The focus of the Summer issue is the 58th Huntington Summer Arts Festival. This mainstay event brings the community together to experience live music, theatre and dance at the Chapin Rainbow Stage in Heckscher Park, Huntington.

Entries should be work that has been inspired by, and represents the energy and excitement of the live performance based Huntington Summer Arts Festival.

One work will be chosen out of all the entries for the cover of the ACN and a stipend of \$250 will be awarded to the artist.

Work NOT chosen for the cover will be evaluated for use in our "Visual Arts Experience" in the park featuring artwork and bios on printed banners surrounding the perimeter of the festival enclosure.
