Executive Director
Huntington Arts Council

Everything changes and everything stays the same. The arts are still alive and successfully adapting to these new times. All of us at Huntington Arts Council are working to ensure that as many arts programs continue to be available to as many of us as possible. We are adding some new twists to our programming to help us continue to expand our audience.

Thank you to our government officials for the ongoing support in recognition of our contributions to art and culture on Long Island Funding from the Town

of Huntington, New York State Council on the Arts and Suffolk County has been critical to keeping our services evolving and in place.

Our summer is as full as ever. As we move forward to present a 56th season the Huntington Summer Arts Festival we will continue to include a combination of live and streamed events. This format worked so well for us last year and we are excited to bring these wonderful performances to a wider audience. I am honored to welcome back Canon USA as the Lead Sponsor, and grateful for their dedication to this event. I am excited to tell you that this year, HAC is adding some visual arts aspects to the festival. The Heckscher Museum of Art joins us to feature *Art Happenings!* five afternoons devoted to creating works in tandem with LI artists (see page 4).

Our other programming continues with plans to safely allow the addition of limited in person participation. We are gearing up for the 2022 Grants for the Arts program. Please make sure attend a workshop in order to put in an application (see page 6). We are looking forward to receiving applications for outstanding and creative projects

that help make Long Island a vibrant community. We are excited to have our full gallery schedule to showcase the excellent works from our community. Our website and social media presence augments the in-person exhibitions in our gallery, just one more dimension to make art accessible.

HAC continues to collaborate with Huntington Township Chamber of Commerce and our fellow Long Island arts councils to expand services and highlight the creative forces of our community. We are delighted to be a part of the Huntington Village Art Walk on September 12; please come and join us in enjoying an artistic day in Huntington!

Pandemic or not, the arts remain a great connector, healer and inspirer. Creative people continue to come up with creative solutions and innovative artistic programming. To paraphrase Stephen Sondheim: "We're still here!"

About the Cover

A.J. SPENCER

For the 4th consecutive year HAC has provided our artist members with the exclusive opportunity to create original artwork for the Summer issue of the Arts Cultural News inspired by the Huntington Summer Arts Festival. The cover image titled "Good Summer's Energy?", by artist member Danangelowe A.J. Spencer (A.J.) is an oil pastel on canvas with digital manipulation. In this piece the artist has intertwined several arts and cultural references, as well as the excitement and

energy of a live performance festival.

A.J. best defines his inspiration for the cover as follows: "The answer to the question "Where do we get "Good Summer's Energy?" and my inspiration for the piece, can be referenced at the very top of the image, through the sun. The rays fuel the energy from the dancers, the sounds of summer, the rhythm by which everything and everyone moves. A good summer for me is a culmination of fun, friends, family, art, performances, nature, love and positive energy, all of which you can find at the Huntington Summer Arts Festival.

"Good Summer's Energy?" takes on some of the signature elements of my prior works which include a question or a question mark. The ballet dancers, a black background and lots of RED represent physical energy and actions. These elements also coincide with my recent exploration of movement and the emergence of the human spirit from a dark space, which was in turn inspired by emerging from a dark

space due to the pandemic in 20-21. The overall work serves as an *entendre* between the current physical world represented in my work and the energetic vibes of the Summer Arts Festival."

A.J. is a multifaceted Jamaican born artist whose work includes, film, photography, graphic design, and mixed medium paintings, and is passionate about visual storytelling and conceptual art. While earning a degree in Communications and Media Studies at Mount Saint Mary College in Newburgh, NY, A.J. created what has now become his brand D.A.J.S Visuals & ART-BOii. In a quest to continuously understand life and its fundamental truths, his art often poses a question to its audience. A.J. can also be found collaborating with other artists to highlight their work through short abstract & documentary style films, in the continuous pursuit of his goal of becoming an artistic director to bring his creative vision to life. For more information on A.J and his work go to WWW.DAJSVISUALS.COM & WWW.ARTBOII.COM.

CHAD A. LUPINACCI
Supervisor Town of Huntington

Dear Friends,

Welcome to "Long Island's Cultural Capital!" The Town of Huntington is a proud host to a diverse group of artists and musicians who call our Town "home,"

and we are equally excited to showcase our rich local culture, between the street art, Traffic Signal Box Art, collections at the Heckscher Museum and the much-loved Huntington Summer Arts Festival performances on the Harry Chapin Rainbow Stage.

We look forward to celebrating the 56th year of the Summer Concert Series in Heckscher Park, as this year it will begin to feel more familiar thanks to an optimistic expansion of outdoor gathering limitations. Please be on the look-out for the program's schedule which will appear on the Huntington Arts Council's website (www.huntingtonarts.org) and will be continuously updated based on recommended guidelines.

We are actively working on continuing another cultural program, our much-loved free "Movies on the Lawn" series.

Learn more about dates, locations, and scheduled movies by calling 631-351-3112.

Be sure to make your way to Heckscher Museum, one of the great gems here in Town for their summer offerings. Check the listings in this newspaper or visit www.Heckscher.org for more information.

For additional listings of cultural offerings throughout the Town, browse the pages of this newspaper to discover the treasures in your own "backyard."

Heckscher Park by Eileen Sleckman

This past spring the Huntington Arts Council had a call for our current Artist Circle members and JOURNEY partner school students to submit original artwork for the cover of the Summer issue of Arts Cultural News. The call focused on the spirit of the annual Huntington Summer Arts Festival. Members submitted diverse works inspired by the energy and excitement of the Festival.

Since 1965 the HSAF has brought the community together to experience live music, theatre and dance. This year, after seeing so many vivid representations from the

LOVE by Elena Kariyannis aka EROCKSNY

artists who responded to the cover call, we sought to bring the visual arts to the Chapin Rainbow Stage in a new way.

Along with the cover call winner, Danangelowe A.J.Spencer, 10 additional artists' work will be displayed on banners that will adorn the perimeter of the enclosed audience viewing area. Featured artists include: Naomi Diracles, Patty Eljaiek, Alicia Gitlitz, Elena Kariyannis - EROCKSNY, Kevin McEvoy, Meagan J. Meehan, Lori Scarlatos, Eileen Sleckman, Toxic/Nature Studios, and Katherine M. Trunk.

Let the Magic Return!

We welcome you to the 56th edition of the Huntington Summer Arts Festival, beginning June 25 with a familiar familial gathering of Chapins - Tom Chapin (Harry's brother), the Jen Chapin Band (Harry's daughter and her sidekicks), and the harmonious Chapin Sisters (Tom's daughters Abigail & Lily). They'll be here to kick off another summer of LIVE music, dance and theatre at the Chapin Rainbow Stage in beautiful Heckscher Park in Huntington Village.

We look forward to over six weeks of FREE, LIVE performances in the park! We have a wonderful roster of artists and ensembles lined up for your entertainment, many who were originally scheduled to appear last summer. Most have not had an opportunity to perform before a live audience in more than a year, and they cannot wait to entertain you. A number of your favorite local ensembles will return this summer, reinvigorated with a new repertoire. Touring Artists will amaze in a multitude

of musical genres, including Americana/ Folk & Roots, Broadway, Classical, Jazz and World Music. We have a few other surprises planned, including a modern interpretation of "Romeo & Juliet!" and terrific streamed performances for our Tuesday Family nights. Please frequent our website www.huntingtonarts.org

for the full schedule and details about the Festival.

We have been working closely with the Town of Huntington in planning the region's most varied and storied Festival of free performances. Thank you to the Town Supervisor and the Town Council for their steadfast support that has made the Festival Huntington's great gift to Long Island. Special thanks to the Dept. of Parks & Recreation, General Services and Public Safety for their efforts and logistical support. We also thank the County of Suffolk and its Office of Cultural Affairs, and the New

York State Council on the Arts, for their continued support. Canon U.S.A., Inc. is our 2021 Presenting Sponsor and we are so very grateful for their dedication and continued support over the years.

There is an energetic power to the Performing Arts. Whether they are experienced in person, in the moment, or

as part of a larger audience via streaming, they speak to our collective spirit and sense of community. It does not matter if it's a beautifully performed pas de deux, or a thrilling and dramatic oration; or even the quiet, soulful rendition of a simple folk song. We are privileged to bring you a taste of that magic once again this summer. We hope you'll join us.

Community Partnerships

Community Partnerships are fundamental to who the Huntington Arts Council is, and the people we serve. We are dedicated to making arts and culture accessible and relevant to all members of our community

in unique and engaging ways. If you are interested in learning more about partnering with HAC in an impactful way, please email Kieran Johnson at Development@huntingtonarts.org.

IN·HOUSE REAL·ESTATE·GROUP

The Huntington Arts Council is grateful for our SUSTAINING SPONSORSHIP partnership with the IN·HOUSE Real Estate Group (www.inhouserealestategroup.com). Through the work of Kyle Sadis, Licensed Real Estate Sales Person at Signature Premier Properties, a donation of \$500 is made to HAC each time Kyle sells a home in Huntington Township. This generosity and support is a true testament to community support, and represents our shared belief of unity, respect, and understanding through support of the arts.

"I grew up in Huntington and have lived

Kyle Sadis

here my whole life. The opportunity to give back to the town that I love in a way that supports something that I am passionate about was an easy decision for me. The work that the Huntington Arts Council does to promote the Arts in schools and in our general population is a mission that I am extremely proud and excited to be involved in." Kyle Sadis, 631-525-6627.

A panel from the Arts and Experience, and Young Professional Committee chose 5 finalists and presented them for public voting. Receiving over 1,500 votes, the winner is Elaine Jensen's "PRO POOCH."

Artist Member Spotlight, Nicole Franz Installation

HAC is proud to partner with Leilu Huntington as hosts of our *Artist Member Spotlight* presented in their upstairs dining area. This opportunity, free to HAC member artists, will rotate seasonally and provide local artists' exposure to Leilu's patrons.

The owners of Leilu, James and Meghan LaCourte, have always lived in Huntington and graduated from Huntington High School. Their love for their home town is only rivaled by their passion for great hospitality, and experiencing new, exciting foods and wine. This passion led them to open Leilu in 2019, named after their two daughters Leila and Lucie. They share

a tremendous love for the restaurant industry and commitment to supporting local businesses and nonprofits.

Nicole Franz, the first featured artist in the *Member Spotlight*, is a mixed-media artist and art educator, living and working on Long Island. She holds a degree in Illustration and Design from the Fashion Institute of Technology and a Master's Degree in Art Education. Nicole's art is created using mostly recycled materials collected locally. Visit www.nicolefranz.com, Facebook at Nicole Franz Art or Instagram @nicolefranzart.

To be considered for our *Artist Member Spotlight* please go to www.huntingtonarts.org for details.

Leilu is located at 10 New Street in Huntington Village. For information and reservations go to www.leiluhuntington.com or call 631-944-3111.

The Huntington Arts Council joined a coalition of a diverse arts leaders, artists, public servants, and business/community leaders from across Long Island in a call to artists. *Shot to Reunite* sought local creatives to submit works of art for use in an island-wide campaign promoting the COVID-19 vaccine and related public health messaging. The focus was on culturally resonant works that engage diverse ethnic, cultural, and BIPOC communities.

A review committee of leaders in the arts and culture sector, as well as local public health, art, and community representatives are evaluating the artworks. Winners will be notified by June 7, 2021. For information go to www.shotoreunite.org

HSAF 21 Logo by Paul Biedermann

Paul Biedermann, Principal/Creative Director of re:DESIGN, (www.resign2.com) specializes in brand identity, strategic design, and visual marketing. Paul, HAC Board Member, once again used his talents to design a logo for the Huntington Summer Arts Festival. Paul "wanted to capture a jazzy, fun, creative vibe as we emerge from one of the most challenging times we have ever had to endure. The interlocking letters in the SAF typography are meant to visually symbolize that while we are a diverse community, we are also interconnected — with the colorful shapes where they intersect connoting where the magic happens, as we come together to create works of wonder. This is something the Huntington Arts Council has

always stood for and also encapsulated in their sun logo which I also designed. Simple, positive, dynamic, and forward-thinking — creating brighter lives through art TOGETHER."

Caryn Coville is one of seven artists participating in the Smithtown Township Arts Council exhibit, *Winners Showcase II*, Mills Pond Gallery, through June 6, 2021. Caryn is also in the National Art League's Members exhibit, *Welcome Spring On Site Exhibition*, through June 5th, The Art Guild's *2021 Members Showcase*, June 4 - July 10, and the American Artists Professional League's *Spring 2021 Member's Online Show: Explore*, through August 30th.

Artist member **Etheard**, an abstract painter who paints because it is his destiny, and whose subject matter is his emotions, thoughts, and dreams, is happy to announce the launch of his website <https://etheardart.com/>

Light Space & Time Online Art Gallery recently included **Clemente Etrick** pastel painting, *Tango*, in the Special Recognition section of the gallery's "Painting and Other Media" category in the *Figurative Art Exhibition 2021*. This dramatic painting will remain online thereafter in *Light Space & Time Archives*. Visit Clemente's website <https://www.ClementesPalette.com> to see this painting.

Words That Hung Between by Rebecca Jonas

Rebecca Jonas was published as a featured artist in the February 2021 issue of *Fine Eye Magazine*, with several of her photographs included in the spread. One of the pieces *Words That Hung Between* is featured here.

Two photographs by **Howie Pohl** were recently selected for

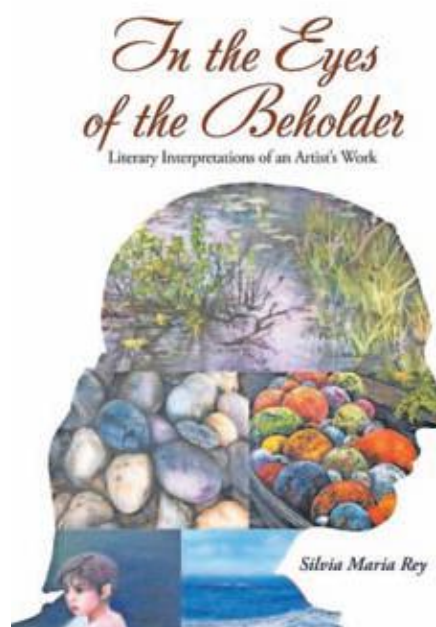

exhibits. *Dalmatian* was picked for the *Furtography: Another Show for the Dogs* exhibit which is part of Cleveland Photo Fest 2021 held at the Bostwick Design Center through June 30. *Puppet Parade* will be exhibited as part of the *FUN HOUSE: Art of the Surreal, Fantastic, + Bizarre* display at the Barrett Art Center in Poughkeepsie NY through June 19.

We Got This by Bob and Nancy Hendrick

We Got This, featured here is the collaborative work of **Bob and Nancy Hendrick**. As "witness to the courage put forth by the medical community" this piece was created to honor the sacrifice made by front line workers. It depicts a LIJ nurse Mary Maldonado holding aloft

a weakened America superhero and is juxtaposed against the backdrop of the Galaxy. Bob and Nancy had the honor to install this piece in the Katz Women's Center lobby at Long Island Jewish Hospital.

In the eyes of the beholder by Silvia Maria Rey

Silvia Maria Rey, recently released her first book *In the Eyes of the Beholder: Literary Interpretations of an Artist's Work*, an exploration of the symbiotic relationship between viewing a work of art and the emotions and memories it evokes. The book is an anthology of 45 stories based on 15 pieces of the author's artwork. 30 writers from *Robbie Woliver's Writing Workshops* were asked to participate in the process. The resulting works span a wide range of topics, genres, and writing styles; each piece is unique and nothing to do with the artist's original intent in creating the artwork, proving the seminal point of the book that the interpretation of any piece of art is truly...in the eyes of the beholder. For more of her artwork and writings follow @silviamariareyarts on Instagram.

Nightmare on Main Street Juried Student Show

Juror, Sueey Gutierrez
Submissions Due: **September 20th**
October 22 – November 13, 2021

Students' grades 6-12 are invited to participate in *Nightmare on Main Street* with art inspired by Halloween! Halloween is a celebration observed in many countries. For some, it is a time,

or reflection for remembering loved ones that have passed. For others it is a celebration of life. Many experience Halloween mainly with candy, costumes and spooky decorations. It all depends on your cultural background. How do you celebrate Halloween? What cultural significance does Halloween have for you? Do you enjoy dressing up in costume, watching iconic scary movies, or taking the time to think about your loved ones that have passed? Using whichever medium you desire drawing, painting, photography or sculpture etc., show us how you celebrate Halloween and what it means to you, your family or your friends. To enter go to huntingtonarts.org.

Juror Sueey Gutierrez is a New York based artist born and raised in Brooklyn. Her family, originally from El Salvador, is of Mayan descent. She began drawing at the age of 3 and by 6 had received a scholarship to study art at the Brooklyn Museum. Her passion for art is highly influenced by her cultural background, pin-up art and burlesque dance. Sueey earned her BA from the Fashion Institute of Technology. She was an Art Educator for the Barry & Florence Friedberg JCC, and taught art at Success Academy Charter School. She lives on Long Island and exhibits throughout the Greater New York area.

Arts in Education JOURNEY

The Huntington Arts Council's *JOURNEY Arts in Education Program* has been working closely with local school districts to support cultural arts programs in schools since 1985. Every year the majority of our 8 partner school districts schedule artist presentations, borrow discovery chests, participate in the exclusive student art exhibition – *High Arts Showcase* and our CTLE teacher professional development courses. This 20-21 school year the districts serviced from September to June are Cold Spring Harbor, Commack, Harborfields, Huntington, Kings Park, Northport-East Northport, Plainview-Old Bethpage and South Huntington. Following is information about each component of *JOURNEY*.

Visiting Artists

Currently, throughout the school year 6 school districts have used their *JOURNEY* Visiting Artist funds to bring cultural arts programs to their students. Some of the programs presented are Nai Ni Chen – *The Art of Chinese Dance*, Reaction Dance Company – *The Globalization of Hip Hop*,

and Origami Air – *Origami and Culture Interactive Workshop*. Over 1200 students participated in the cultural arts programs made available through virtual remote and in person formats.

Kaylie LaLota, Dance Educator at Northport High School, describes her experience with the Reaction Dance Company for *The Globalization of Hip Hop* virtual program, as follows.

"It was great to collaborate with Gina Van Bell, the Arts and Education Coordinator at the Huntington Arts Council and bring a virtual dance workshop to my students at Northport high school. My students learned the history and background of Hip Hop, K-Pop and Bollywood as well as basic choreography that of each genre. Our choreographer, Juliette was very knowledgeable, friendly and a pleasure to work with! She listened to our needs and geared the workshop to my student's level. Overall, it was a great experience and a way to connect to another dancer using our community resource during this crazy time!"

Globalization of Hip Hop Virtual Program presented to both remote and in person students

Discovery Chests

Over 25 Discovery Chests have been loaned this year to classrooms. These chests include the use of google slides containing artifact descriptions and internet resources. With more than 30 physical discovery chests on hand and 10 different world cultures represented, we encourage partner schools to take advantage of these loans as much as possible. Non-partner schools can borrow the chests for \$50 per chest, not including delivery.

High Arts Showcase

This past spring the exclusive student art exhibition, *High Arts Showcase XVII*, presented a superb body of work

from 11th and 12th grade students in our *JOURNEY* partner schools. These students learn firsthand what is involved throughout a gallery exhibition; from submitting entries and writing an artist statement to titling, framing and pricing their artwork. Proceeds from any artwork sold during the exhibition went directly to the students. Congratulations to the students that presented their work and to those that were awarded honors.

CTLE Cultural Arts Workshops

Last fall the CTLE teacher professional development *JOURNEY* Program workshops awarded 75 CTLE certificates totaling 219 CTLE hours. This included 99 hours granted to teachers to meet their Language Acquisition requirement

through the NYSDE. HAC is a sponsor for New York State Department of Education and therefore able to provide CTLE (Continuing Teaching and Learning Education) hours as required for teaching certificate holders in New York State. These valuable professional development opportunities embody the goals of the *JOURNEY* Program that strive to promote cultural appreciation in schools through the arts.

This upcoming fall CTLE workshops will be offered in October and November of 2021. The workshops are free for our partner school districts and available to other teachers in New York State for a fee of \$50. Go to huntingtonarts.org for information and class registration.
