

Tagging Huntington Arts Council and/or adding HAC as a collaborator on Instagram posts related to your grant award, allows us to share your content as well. Although we cannot share all posts, we share as many as we can.

Tags – Tag us in your social posts - @huntingtonarts

How to add tags to Instagram posts - To tag someone on an Instagram post, while editing your photo before posting, tap "Tag People," then click on the part of the image where you want the tag to appear, type the person's username, and select them from the list; you can also tag someone after posting by going to your post, tapping the three dots in the top right, selecting "Edit," and then "Tag People."

How to add HAC as a collaborator on an Instagram post –

To add a collaborator when creating a post

1. Create a post
2. Add a caption, location, hashtags, and other features
3. Tap Tag people
4. Tap Invite collaborator
5. Search for the account and click on their profile
6. Repeat to add up to five accounts
7. Tap Done
8. Tap Share

To add a collaborator after publishing a post

1. Tap the three dots on the post
2. Select Edit
3. Select Tag People
4. Choose Invite Collaborator
5. Search for the username
6. Save changes
